Re: Central Transport International claim 616080 pro 495-288534-1
A.I claim 0069567-A

Dear Mr. Nasso:

Upon final review of the presented documents associated with the above mentioned claim we offer the following comments:

Whenever a used item is tendered in any mode of transportation numerous obstacles are naturally present. Items such as the age of the unit, condition at time of transport, original packaging, re-shipment packaging, value support, depreciation, among others come into question.

Due to the age and circumstances surrounding this shipment, as a means to close this matter we are willing to forward a settlement amount of \$50,000.00.

Kindly allow your acceptance and we will conclude.

Note - this offer will remain in effect for 30 days. After that time period the claim will be considered as in a denied status.

Sincerely,

Jeffrey A. Cackowski
